US Consulate General in Shanghai
1469 Huai Hai Zhong Road
Shanghai, China, 200031

Dear Consul,

I would like to invite my brother Mr. Dongming Xia (Chinese passport E01530347) and his wife Ms. Weihong Zhu (Chinese passport E01529494) to have a short visit to the United States this summer. My brother is an entrepreneur and owns a company called Zhejiang Seeco Media Ltd.

If the visa is granted, they will most likely enter the US at the beginning of August, and return to China around August 21st. Their visit to the United States has two purposes: first, their son (my nephew) Mr. Bowen Xia is accepted as a freshman at Penn State University and will start the school year around August 15th; and second, they will tour the east part of the US for couple of weeks. During their stay in the US, they will mostly live with my family at the above address in Massachusetts.

My brother and his wife have visited other countries in Europe, and his wife has visited the US several years ago.

Therefore, I will be most grateful if you could grant them necessary visa so they could come to visit me this summer. Please don't hesitate to contact me if you have any questions.

Thanks a lot in advance!

Sincerely yours,

Donglu Xia
