

South Dakota Parent Connection (SDPC)

Attention: Carla Miller

Executive Director

3701 W 49th St #102, Sioux Falls, SD 57106

RE: Letter of Understanding

Ms. Miller,

This letter is to confirm Senscio Systems agreement to provide modified pricing for subscription licenses for October through December 2016. The current pricing is outlined in Exhibit D of the contract dated June 1, 2015 between Senscio and SDPC. There was an expansion of the current pilot from 30 to 50 subscriptions per the letter from Senscio to SDPC dated May 24th, 2016.

Effective October 1, 2016 and through December 31, 2016 Senscio will invoice SDPC for the number of deployed Ibis systems for the given month. (*i.e. October 2016 – 21 Ibis Systems deployed*).

In addition, SDPC agrees to collaborate with Senscio to identify additional potential candidates who, based on agreed upon criteria, may benefit from using the Ibis system. Senscio will also incorporate our coaching program focused on end user engagement and satisfaction.

Carla, we look forward to continuing our partnership with SDPC and will follow up with you regarding a revised agreement for 2017.

We, the undersigned, have read and agree with this change in terms letter.
